

# Muhammad Usman

Computer Engineer | Software Developer  
muhammad196usman@gmail.com | +923014728196 | LinkedIn | [usman.codes](https://usman.codes)

## SKILLS

**LANGUAGES** | JavaScript • TypeScript • C/C++ • Python

**LIBRARIES & FRAMEWORKS** | React • Next • Vue • Nuxt • Tailwind • Flask

**TOOLS** | Vs Code • Git • Shopify CLI

**DATABASES** | MySQL • Firebase • MongoDB

**MISCELLANEOUS** | Machine Learning

**SOFT SKILLS** | Bias for Action • Deliver Results

## EXPERIENCE

**Dot Genic Systems (Lahore)** | React, Next, Vue, Nuxt

**Software Engineer | Jun 2024 - Present**

- Developing new features and maintaining React.js, Next.js, Vue, and Nuxt applications.
- Using Tailwind CSS for consistent UI and workflow optimization.
- Collaborating on Agile teams, ensuring timely product delivery.

**F&C Properties LLC (Dubai)** | React, Next

**Frontend Web Developer | Oct 2024 - Jan 2025, Nov 2025 - Mar 2026**

- Built and optimized web apps with React and Next.js.
- Performed Business as Usual (BaU) maintenance and resolved issues.
- Reduced technical debt and improved code quality for scalability and performance.

**HK Web Solution (Lahore)** | JavaScript, Liquid

**Shopify Developer | Dec 2022 – Apr 2023**

- Developed custom Shopify themes with tailored designs and functionality.
- Integrated third-party APIs and enhanced e-commerce features.

## PROJECTS (view more at [usman.codes](https://usman.codes))

**Flyby | Vue** | [flyby.global](https://flyby.global)

Advertising and tracking platform for delivery bike fleets. Three user types share one system, advertisers, fleet owners and riders, with live tracking, ad booking and partner earnings.

**Beyo CRM | React**

Multi-tenant CRM used by many companies at once. Each company and team sees only its own data, with per-role permissions, lead assignment, sales stages and reporting.

**F&C Properties | Nuxt** | [fandcproperties.ae](https://fandcproperties.ae)

Developed a property platform with agent listings, enquiry management, multi-currency support, and multilingual functionality.

**ZENMED | Shopify, Liquid, JavaScript** | [zenmed.com](https://zenmed.com)

Skincare brand online store: product catalogue and bundles, customer accounts, orders and checkout, loyalty points, subscriptions, and pricing in several currencies for different countries.

## EDUCATION

**B.S Computer Engineering**

Comsats University Islamabad

09/23/2020 - 07/08/2024 | Pakistan

## HONORS & AWARDS

1st position in Web Dev Competition  
| **CUI Tech Summit | 2024**

3rd position in Web Dev Marathon  
| **NaSCon | 2024**

Laptop Award | **Prime Minister's  
Youth Laptop Scheme | 2023**

## CERTIFICATIONS

- CSS Certificate - **HackerRank**
- JavaScript (Intermediate) - **HackerRank**
- JavaScript Algorithms and Data Structures - **freeCodeCamp**
- SQL (Basic) - **HackerRank**

## COURSEWORK

Data Structure & Algorithms

Object Oriented Programming

Machine Learning

Database (MySQL)

Project Management

Software Engineering Concepts

## INTERESTS
